

## **First Visit Checklist**

Welcome to Launceston Obstetrics & Gynaecology. To help us prepare for your first visit, please check that you:

- Have completed and returned to the Rooms the following documents:
  - A referral from your GP
  - Patient Registration Form
  - Patient Privacy and Information and Consent Form
  - Patient Medical History Form
  - A copy of any recent blood tests or ultrasounds.
  
- Have confirmed that your health fund covers you for Obstetric care as a private patient in a private hospital. Or that your fund covers you for gynaecological operations as a private patient.
  
- If you are pregnant, have booked a 12 week ultrasound.
  
- Have read the financial consent and discussed this with your partner or family member as appropriate.

If you need help with any of the above information please call our Rooms on 03 6333 0344 and speak to one of our receptionists or our midwife.

We look forward to meeting you at your first appointment when our special care of you begins.
